Local production and homegrown expertise,
nothing compares to **Equiparc quality.**

Equiparc

SINCE 1982

EP1750

High quality and ergonomic: the Equiparc signature

Equiparc presents its new aluminum benches, designed and manufactured in Quebec.

Available in two versions, with or without backrest, they provide long-lasting durability in all types of environments. Elegant, modern, and minimalist, they bring a timeless and harmonious presence.

 **Equiparc**
SINCE 1982

Designed and made in Canada.
